

// MEDIA UNIT

APEX MEDIA PRO

// Your marketing team, in software.

Apex Media Pro writes your posts, UGC reels, newsletters, and campaigns in your voice and ships them across every platform. You drop in a clip or an idea and approve in one line.

TALK TO IT LIKE THIS

"Draft this week"

"Approve all"

"Make a reel from this"

"Write the newsletter"

"Launch a campaign"

"Write a blog on [topic]"

WHAT IT HANDLES

- + 150+ posts a month, every platform
- + UGC reels and ads
- + Newsletters and drip campaigns
- + SEO and found in AI search

INPUT → OUTCOME

YOU PUT IN

"Photo from today's install + 'we finished the Johnson job.'"

YOU GET BACK

Drafted: a reel, an IG / FB / LinkedIn post, a line for Friday's newsletter, and a follow-up campaign email, all in your voice. "Approve all?"
