

// VOICE UNIT

APEX VOICE PRO

// Your 24/7 phone line that never misses.

Apex Voice Pro answers every call, day, night, weekend, and holiday. A human-sounding AI picks up on the first ring, qualifies the lead, and books it straight to your calendar. The call you would have missed becomes a booked job.

\$126K

// THE COST OF A MISSED CALL

Studies put unanswered calls to small businesses near 60 percent, and most after-hours callers never call back. For a busy shop that can add up to roughly \$126,000 a year in missed work. Apex Voice Pro is built to catch every one.

TALK TO IT LIKE THIS

"Answer as my front desk"

"Qualify every caller"

"Book to my calendar"

"Text me a summary"

"After hours, take a message"

"Transfer the hot ones"

WHAT IT HANDLES

- + Answers every call, 24/7/365
- + Never sends a lead to voicemail
- + Qualifies and books on the spot
- + Sounds human, trained on you

INPUT → OUTCOME

YOU PUT IN

"Hi, my water heater is leaking, can someone come out?"

YOU GET BACK

"I can get a tech out. What is the address, and is the leak active right now?" → **Booked: Monday 8 AM, 142 Oak St. Summary texted to you.**
